**SUPPLEMENTARY INFORMATION:** The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through

the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Guaranty Agencies Security Self-assessment and Attestation

*OMB Control Number:* 1845-0134

*Type of Review:* Revision of a currently approved collection

*Respondents / Affected Public:* Private Sector; State, Local, and Tribal Governments

*Total Estimated Number of Annual Responses:* 19

*Total Estimated Number of Annual Burden Hours:* 6,954

*Abstract:* This is a request for a revision of the approved information collection used by Federal Student Aid (FSA) to ensure that all data collected and managed by Guaranty Agencies (GAs) in support federal student financial aid programs is secure. FSA continues to use a formal assessment program that ensures the GAs have security protocols in place to protect the confidentiality and integrity of data entrusted to FSA by students and families. This assessment will identify security deficiencies based on the federal standards described in the National Institute of Standards and Technology (NIST) publications. The increasing number of hours is to account for the revision from NIST 800-53 R4 to R5. There is an increase of the number of controls that need to be assessed for each of the 19 GAs (~70 controls and 2 new control families).
